INTERVIEW SUMMARY

Sir:

The undersigned would like to thank the Examiner for his time during a telephone interview on May 7, 2007.

During the interview Claims 18, 22, and 28 were discussed. It was agreed that Claim 23 could be added into Claim 18 for additional clarity. Also, since “further disposing a thermoset coating on a side of the plastic surface opposite the core” and “further disposing a thermoset coating, wherein the plastic surface is between the thermoset coating and the core” had the same meaning, Claim 22 can be amended to recite the latter.

The changes will be made by Examiner’s amendment and the case will then be allowed.

If there are any additional charges with respect to this Summary or otherwise, please charge them to Deposit Account No. 50-1131.

Respectfully submitted,

CANTOR COLBURN LLP
